2025 Interleague Rules

Unless an allowable option is noted as applicable here, the official Little League Regulations and Playing Rules for 2025 apply. *Please note that in the Android version of the rulebook app, some references to rule numbers are missing.*

SECTION I: RULE VARIATIONS & OPTIONS:

A. The League:

1. For the purposes of interleague scheduling and play, District 63 is “the league” (rather than any local league or location of play) and is divided into two regions: North District and South District.
 - a. “North District” is comprised of Local Leagues in Santa Barbara County.
 - b. “South District” is comprised of Local Leagues in Ventura County.

B. Season Format:

1. Teams may play doubleheaders, games on consecutive days, but no more than 3 (three) games in a week.
2. Upon completion of the regular season, teams will participate in a round robin pool play tournament comprised of two (2) pools culminating in a championship game between the two teams with the best record during pool play, to determine the overall League Champion of each division per region, separately.
3. Seeding for the pool play portion of the tournament will be determined by overall regular season record. If two teams are tied, the following format will be used:
 - 1) Winning %
 - 2) Least (total) runs allowed in games played between two tied teams
 - 3) Most (total) runs scored in games played between two tied teams
 - 4) Coin flip
4. Determination of the two (2) teams playing in the championship game will be determined by overall record in their pool play. If two teams are tied, the team who won their head to head game shall play in the championship game.
5. It is the individual leagues’ responsibility to provide any form of award for their teams if they choose, not the District’s. The North District Leagues and the South District Leagues will meet at the District Presidents meeting to agree on a specific award. District 63 logo will be included on the award.
6. Umpires for the Division Playoffs will be provided by the designated HOME League, but subject to approval by the District Umpire-in-Chief (UIC)
7. (Junior Division Only) Annually District 63 holds the Roy DeFisher North vs South Game shall be held between the two District Champions on the 1st Saturday in June. In odd numbered years the South District Champion shall host, and in even numbered years the North District Champion shall host.

C. Starting Lineup and Batting Order:

1. Regular Season:

- a. All teams will utilize a Continuous Batting Order (CBO) for all games during the regular season. Refer to rule 4.04.
 - b. A team may start and finish the game with Eight (8) rostered players pursuant to rules 4.16 & 4.17. When this occurs for whatever reason, when the 9th spot occurs in the lineup, the spot shall be skipped and no penalty shall be imposed.
2. Playoffs:
- a. All teams will utilize a Continuous Batting Order (CBO) for all games during the playoffs. Refer to rule 4.04.
 - b. A team may start and finish the game with Eight (8) rostered players pursuant to rules 4.16 & 4.17. When this occurs for whatever reason, when the 9th spot occurs in the lineup, the spot shall be skipped and no penalty shall be imposed.

D. Mandatory play:

1. All players on teams with 12 or fewer players in their lineup at the start of the game must play at least nine (9) defensive outs.

E. Game Times:

1. During the Regular Season, no new inning will begin later than 2 hours and 30 minutes after scheduled game start time.
 - a. Ties are permitted if light has expired or game is called for light, weather, etc. Ties will be scored as ½ win & ½ loss.
 - b. Fields with lights: all games on fields with lights shall be considered regulation per Rule 4.10 (c).
 - c. Fields without lights: Through March 31, all games must be played through the 4th inning minimum to be counted as regulation (light and weather permitting) or they will need to be continued at a later date to completion.
 - d. Starting April 1, all games shall be considered regulation per Rule 4.10 (c).
2. During the Playoffs,
 - a. There shall be no time limit imposed, nor no new inning rule imposed.
 - b. All postseason games must be played to regulation. Ties are allowed in pool play. However, no championship game shall end in a tie, including the Roy DeFisher North vs South Game.
 - c. If the game is called for light, weather, etc. it will be continued at the earliest possible date both teams are available. If a mutually agreeable date between managers cannot be found, the District shall choose a date for continuation. If either team does not show up for the continuation, that team will forfeit the game.
 - d. If the game is tied after the 7th inning: At the beginning of the 8th inning and each inning thereafter, the player immediately prior in the lineup to the first batter of the new inning shall be placed at Second Base prior to the first pitch of the inning.
3. **Grace Period:**
 - a. ALL GAMES WILL HAVE A TEN (10) MINUTE GRACE PERIOD. If a team fails to field eight (8) players within that time frame, the game shall be

suspended. The District Staff shall then determine whether the game will be rescheduled or if it will be a forfeit.

- b. Teams failing to field a minimum of nine (9) players on more than two occasions are subject to removal from inter-league play. This will include days where postponements are requested regardless of reasoning.

F. Pitching Verifications:

1. Both managers must hand their Pitching Eligibility form to the scorekeeper prior to the game. Scorekeeper will update it after the game, both managers will sign both forms after the game and keep their forms in the team binder.
2. The inability of either team to produce proper verification will result in an ineligible pitcher. Any perceived manipulation of this rule shall immediately be reported to the Division's Assistant District Administrator (ADA) for investigation. The penalty for any purposeful manipulation or intentional disregard of the rule is automatic suspension. (Length of suspension to be decided by DA. and Local League).

G. Umpires:

1. Umpires will be provided by the **designated HOME league**, regardless of physical location of games.
2. If no umpires are present ten minutes after game start time, it is suggested that each team obtain a parent to act as umpire in the field, one calling balls and strikes from behind the pitching mound, and one to cover the bases.
3. The game is not official without umpires, therefore, the result for not providing umpires shall be a loss for the Home Team.

H. Player eligibility:

1. Junior Division:
 - a. 15-Year-Old Players: Rosters for each team with birth date must be submitted no later than 1 week prior to first game. NO current high school baseball players allowed. 2. Intermediate Division: Per Regulations I & IV.

I. Pool Player selection and utilization:

1. Each Local League Division Representative is responsible for keeping a list of their League's players and record which players are used. When a team within a League is unable to field a minimum of ten (10) players, that team's manager MAY choose to contact their League's assigned Division Player Agent to fairly assign a player from another team within his/her own League on a rotating basis to the team in need.
2. Once a player from another team is used, that player may not fill in again for the team in need for a minimum of eight (8) games.
3. Pool players may play up from a lower division if age appropriate and league bylaws allow it.

4. **Pool players MAY NOT: pitch or catch, and must bat at the bottom of the order**, it is highly recommended that when a pool player is the tenth player on the team in need, that he/she plays only the minimum for Pool Players.
5. A maximum of two pool players only may be used per game, unless prior authorization has been given by the Division's Assistant District Administrator (ADA)

3. The official scorebook and pitcher eligibility forms **MUST** be signed by the opposing team's manager, coach or scorekeeper.
4. All scores **must be reported by both teams within 24 hours** on the District's website: www.cad63llb.org. When reporting scores and pitching eligibility forms, it is required to send them to the designated representative.

N. Stealing Signs: The stealing and relaying of signs to give advantage to the offensive team (e.g. alerting the batter of pitch selection) or the defensive team (e.g. indicating a steal is on) is unsportsmanlike behavior. Pursuant to Rule 9.01(d)(NOTE) if, in the judgment of the umpire, this behavior is occurring, the team manager and those responsible including any player(s) and/or coach(es) shall be warned after the first offense. Those responsible including any players(s), coach(es), and/or manager shall be ejected from the game for a team's subsequent offense. If, in the judgment of the umpire, spectator(s) are stealing and relaying signs, the umpire shall ask the gamesite coordinator to remove such spectator(s) from the facility.

This is especially true of the purposeful misuse of pool players or mandatory play violations.
6. Additionally: All managers shall have discretion regarding disciplinary action/suspension of a player for any single game. Managers seeking multiple game disciplinary action/suspension for a player shall get approval from the District 63 Division ADA prior to implementing any discipline/suspension. The District 63 Division ADA shall be notified in writing of ANY disciplinary action/suspension taken against a player. *Suspension = up to and including practice, inning(s) of a game, as well as whole or multiple games.*
